Subject: EPA Comments on Round 2 Report Outline
Date: 06/02/2006 03:30 PM
Attachments: [2006-04-14_DRAFT_COMP_R2_RPT_OUTLINE_EPAREdline.doc](#)

Attached is a mark up of the Round 2 Report Outline. Overall, the report outline seems comprehensive. However, additional sections should be included to describe how the initial risk evaluations will be used to develop PRGs and how the relative importance of contaminant sources will be evaluated. As we move forward, we will also need to have additional conversations about how data should be presented.

Eric
